PRESIDENT: For what purpose do you ... is your light on, Senator Johnson?

CLERK: Motion on the desk, Mr. President. I move to override the Governor's veto of LB 526. Signed, Senator Johnson.

PRESIDENT: Senator Johnson.

SENATOR JOHNSON: Mr. President, members of the Legislature. I do move that this body override the Governor's veto on LB 526. I'm sure you are aware what 526 is. It's a bill that authorizes the spending of \$60,000 to create the Heritage Village at the State Fair Grounds. I placed on your desk ... or had placed on your desk a list of the things that this money would buy. It included a school house, an actual one-room school house, to be moved into the State Fair grounds; a log cabin to be built; a general store to be reconstructed; a blacksmith shop; a sod house; along with all of the sidewalks and landscaping necessary to make it a real nice Heritage Village that we'll all be proud of. I'm real surprised that the Governor vetoed this bill because it is a bicentennial project. The bicentennial year will be coming up next year. We should have this all prepared so that some seven or eight hundred thousand people that pass through the gates at Fair time can enjoy it. When this bill was considered there were only three Senators that voted against it. I renew my motion to override the Governor's veto.

PRESIDENT: Any further discussion? If not, the question is shall LB 526 become law notwithstanding the objection of the Governor. All those in favor please vote. Have you voted? Please vote. Savage voting aye.

CLERK: Senator Savage voting aye.
